Additional Information:

Children under the age of 6 years old must be accompanied by the Parent/Guardian indicated above. We will break for lunch for a period of 30 minutes; all riders attending the clinic are responsible for their own lunch and drinks for the duration of the clinic. All riders must hold a valid ABA license at all times and may be required to prove verification. Safety equipment consisting of long sleeved shirt, long pants, gloves, closed toe shoes, and a full face helmet is required to be worn by all riders while on the track. All riders must ensure their bike is in safe and working condition prior to being permitted to operate the bicycle on the track. An inspector may determine that the bike is unsafe, if this occurs; the rider will not be permitted to use the facility until the bike is fixed and approved by an inspector.
